20+YEARS PRODUCTION EXPERIENCE

NINGBO ESHINE IMP.&EXP.CO.,LTD

ABOUT US

Ningbo Eshine Imp. & Exp. Co., Ltd has own factory called Ninghai Eshine Metal Products Factory, is specialized in producing and exporting aluminum bottles and cups, stainless steel bottles and cups, plastic bottles and cups. We have over 20 years' experience in this domain. With monthly production capacity over one million pieces, we have a group with rich production experience of professional and technical personnel, strict quality management system, products of good quality, novel and durable, favored by users.

Eshine is using more recycled materials now. It reduces energy consumption and carbon emissions by up to 95%. We are working to ensure that our operations are greener. We improve natural resource efficiency and minimize the environmental impact of our production processes. We have obtained the certificate of GRS, RCS, BSCI, SEDEX and FSC. Our products are complying with FDA, LFGB and other test standards.

Our company insists on providing first-class products and friendly service. We warmly expect to create a better future with customers all over the world.
